Application information

Please find more details about each course at <https://www.bca.ac.uk/subjects/alfie/> or contact aguile@bca.ac for more information.

ALFIE courses are part time for 36 weeks starting on Monday 4th September 2023 to Friday 5th July 2024

They are intended for adults with mild to moderate learning difficulties who have not already achieved a full Level 2 qualification.

Students may bring a carer or support worker with them if required.

Students may enrol on one or two courses at BCA or Langley college.

People wishing to enrol on the cooking courses must disclose any dietary needs at enrolment .

There are no material costs, however students in the 'Accessing your Community' course will be required to bring money for refreshments and sometimes for activities such as bowling.

The courses are fully funded to adults 19+ who are claiming benefits and their earned income (not including benefits) is less than £338 a month

Students are Carers coming on the Animal Welfare course will need full overalls and wellingtons, and proof of tetanus immunisation within the last 3 years.

Students are expected to complete their course. Students who are absent for three consecutive weeks may be withdrawn.

Students are expected to engage in all lessons and not cause distraction or upset to others.

All students must report an absence through the BCA website. www.bca.ac.uk/

Click on student information and then Report Student Absence. This need to be completed prior to your lesson starting.

How to apply for more information.

New students

Please contact Ann Guile on 01628 827552 or ann.guile@windsor-forest.ac.uk to arrange an informal interview and complete an application form.

Returning students

Please send your course choices to ann.guile@windsor-forest.ac.uk. Once we have received your preferences and all your completed enrollment paperwork we will contact you with your choices.

Returning students are required to apply for different course not completed previously.
