

Production Arts

Welcome message

Hello there! We are very much looking forward to welcoming you to study with us in September 2026! The team is busy preparing your study programme for you and we can't wait to share it with you! We are also intrigued to see what creative wonders you have in store for us!

Uniform/Kit/PPE requirements & where/how to order

You will need to supply your own personal stationery that includes: notebooks, pens, pencils, sharpeners, set square, protractor etc. You may want to provide a sketchbook, if you plan to create your journal non-digitally.

1. Comfortable and sensible shoes for non-workshop work
2. Workshop suitable boots (steel toe-cap boots are best).
3. Dungarees for workshop work.
4. An old oversized shirt is a must for all practicals.
5. Your own dust mask for wood work too (B&Q do a good range).
6. A warm and rain proof coat is essential.
7. You may need a set of 'blacks' for stage management work; black boots, black cargo trousers and black t-shirt or polo shirt (no brands or logos please).
8. We'll source the rest!

Health & Safety information e.g. no piercings, hair tied back etc

For nearly all practical work you will need to tie long hair back. We may advise you that some piercings will need to be removed ahead of practicals, but these should be fine for the majority of non-practical sessions. You will need clothing that can get dirty and 'painty'. See above.

You should bring a clean water bottle to all lessons - we have lots of water fountains across campus for you to top up your bottle and hydrate!

Additional qualifications (where applicable) e.g. BHS / First Aid / Refereeing quals etc
